## OVERVIEW

Vesta Hospitality brings a dynamic energy to hospitality investment and hotel management. They offer a complete range of services, including management, development, repositioning and acquisitions for new and existing properties. Their commitment is for the greatest guest satisfaction and financial return..

## GOAL

Save 15% in water usage consumption with 0% effect on water flow rate and PSI.

## RESULTS

Installation occurred in 1 hour with normal resumption of water services. Pressure and volume flow rates were tested and validated at the pre-install levels with electrical booster system and numerous tests across the building.
