OVERVIEW

Bowen Scarff is a Ford Dealership located outside of Seattle, WA. Bowen Scarff's major water consumption is their car wash facility. A single exactwater installation covers the wash plant and main office.

GOAL

Save 20% in water usage consumption with 0% effect on water flow rate and psi.

RESULTS

Installation took 2 hours. PSI and water flow unaffected. **4 years later reviewed again and still saving 45%!**

Kent, WA utility has very high fixed charges in billing; most similar dealerships will see significantly higher dollar savings.
