OVERVIEW

MacArthur Business Center is a 2-Story commercial office building. Renovated in 2006, a variety of businesses lease commercial office space in the complex.

GOAL

Save 15% in water usage consumption with 0% effect on water flow rate and psi; **become the most water efficient business center in Irvine CA!**

RESULTS

Installation took 3.5 hours. No issues occurred during or after installation. Exactwater restored water, offices returned to normal water services, and optimization of the equipment began.

MacArthur Business Center is saving 1.8 MILLION gallons of water every year!
