

30% SAVINGS

OVERVIEW

For 60 years, MSC Corp has been world-renowned for high quality innovations in light-weight, acoustical and coated coil products. A customer-centric focus has created long lasting relationships and continued growth.

GOAL

Save 20% in water usage consumption with 0% effect on water flow rate and PSI.

RESULTS

Installation occurred over 6 hours. Pressure and volume flow rates were tested and validated at the pre-install levels. Industrial safety services were tested and production has continued at full operation 24/7.
